

CURRICULUM VITAE

Gary D. Hubert, M.D.

Dr. Hubert is board certified in reproductive endocrinology and obstetrics and gynecology. He serves as Co-Director for FSAC, and as a clinical assistant professor in Reproductive Medicine at the UCLA School of Medicine. A graduate of UCLA School of Medicine, Dr. Hubert has lectured and published extensively on infertility and other reproductive disorders. With over 20 years of experience in reproductive medicine, Dr. Hubert has been honored on several occasions by the American Society of Reproductive Medicine and the media for his outstanding contributions to infertility diagnosis and treatment, specifically in the areas of endometriosis and ovulation dysfunction. Dr. Hubert is an active member of the American Society for Reproductive Medicine, Pacific Coast Reproductive Society, the Society of Assisted Reproductive Technology, and the Society of Reproductive Endocrinologists.
